## DIETHYLAMINE SALICYLATE

(PART NUMBER: 50-30-4419925)

### TECHNICAL DATA

|                                |                                                        |
|--------------------------------|--------------------------------------------------------|
| CAS #                          | 4419-92-5                                              |
| H.T.S. #                       | 2921-1950                                              |
| SYNONYMS                       | Diethylammonium Salicylate                             |
| MOLECULAR FORMULA              | $C_{11}H_{17}NO_3^+$                                   |
| MOLECULAR WEIGHT               | 211.26                                                 |
| DESCRIPTION                    | White crystalline powder, moisture and light sensitive |
| IDENTIFICATION                 | Complies with BP2014 tests "A" and "B"                 |
| ACIDITY                        | Complies with BP2014 tests                             |
| CLARITY AND COLOUR OF SOLUTION | Complies with BP2014 tests                             |
| MELTING POINT                  | 100.0 to 102.0°C                                       |
| HEAVY METALS                   | 10 PPM max                                             |
| LOSS ON DRYING                 | 0.1% max                                               |
| WATER CONTENT                  | 1.0% max                                               |
| ASSAY                          | 99.0 to 101.0% max                                     |

### COMMERCIAL DATA

|                    |                                                                                                    |
|--------------------|----------------------------------------------------------------------------------------------------|
| STANDARD PACKAGING | 25 kgs. (net) new, polylined, HDPE drums. We keep small quantities of this material in ready stock |
| KNOWN APPLICATIONS | Pharmaceutical intermediate; Photography raw-material; Organic Synthesis                           |

### CONTACT INFORMATION

|                   |                                                                      |
